996301	Teacher Academy II		2	Teacher Academy I <ul style="list-style-type: none"> • Must complete an application, essay, and interview

Career Academy

Each high school has a Career Academy which combines an academy curriculum with an occupational theme determined by student interest. Students interested in participating in a Career Academy should meet with their school counselor for specific course selections.

Early College

Madison County Schools has an articulation agreement with Holmes Community College which affords high school juniors and seniors, who meet established requirements, the opportunity to earn both high school and college credit during the regular school day on the high school campus.

Students should refer to the graduation requirements as stated in the student handbook and on the district website at (www.madison-schools.com) to ensure correct course selections.

I would like to register for the above courses for the 2017–18 school year. I understand that for a course to be offered for the 2017-18 school year, a minimum of 15 pupils must be enrolled and budget requirements must be met. I understand that Madison County Schools has a “no drop” policy as stated in the student handbook.

Name of Student: _____ **Signature of Parent:** _____

Student ID #: _____ **Date of Signature:** _____

Grade Level: (Current School Year 2016-2017) _____ **Home Phone #:** _____

Grade Level: (Next School Year 2017-2018) _____ **Business Phone #:** _____

Email address: _____ **Cell Phone #:** _____

Madison County Schools does not discriminate on the basis of race, color, national origin, sex, disability, age or religion.
