My signature confirms that I understand the following:

- This summer learning opportunity is designed to provide individualized learning.
- A majority of the coursework will be done on-line, and a certified instructor will be available during the designated course times.
- My student must attend class for the designated number of hours. Additional hours may be required, at the instructor's discretion.
- My student must take all proctored tests and exams at the host site. My student will be required to bring his/her student ID and district-issued MacBook to the proctored tests/exams.
- If my student is taking English III or English IV, a research paper will be required.
- If my student is enrolled in Credit Recovery, the highest grade he/she will receive for the semester(s) recovered is the minimum passing score of 65.
- If I elect to do so, I will receive progress reports for my student via text messaging/e-mail.
- If my student does not successfully complete course/attendance requirements, withdraws from the course, or is removed from summer school due to disciplinary infractions, I will not receive a refund or course credit for my student.

Upon successful completion of summer learning, this student will be eligible to graduate on July 28<sup>th</sup>, 2022
