Summer Reading

The **50 Book Challenge Reading Log** is attached. Students entering K at ASE are **expected to log 50 books** over the summer before the first day of kindergarten. Any book that is **read aloud to or with the student** can be written on the log. Summer reading should be a fun experience for the parent and the child. As you read with your child, please discuss letters of the alphabet, words and have the students count items in the pictures. Also, discuss the beginning, middle and end of the story and your child's favorite part of the story.

When your child turns in their log on the first day of school, they will receive an invitation to the BACK TO SCHOOL BASH we will hold during the first week of school.
