Trinity Norman Golden Scholarship Application

Trinity was born on December 15, 2005, to loving parents who couldn't wait to meet her. From the beginning, Trinity had a huge heart, an enormous personality, and a contagious smile. She could often be found telling jokes, climbing trees, playing with insects, or relaxing at her favorite spot (The Ross R. Barnett Reservoir) with her mom and baby brother. She was a very active little girl who participated in cheer, gymnastics, pageants, and choir. She loved to travel and enjoyed a nice run on the beach. She was a hard-working student who had a passion for learning.

On August 8, 2014, Trinity was diagnosed with an extremely rare cancer called DIPG (Diffuse Intrinsic Pontine Glioma). She was treated at St. Jude Hospital and later UMMC for her condition. Even when faced with a terminal condition, Trinity remained positive. She attended school and maintained all A's. She would encourage her family and friends by saying "Don't cry, it's going to be ok" with a big beautiful smile on her face. On March 23, 2015, after a hard-fought battle, Trinity passed away while holding her mom's hand and listening to her favorite songs.

In celebration of the life and legacy of Miss Trinity Norman, her mother, Felicia Lane, has decided to honor her by presenting scholarships to worthy individuals in her posthumous graduating class of 2024. This scholarship will be awarded to selected individuals from the Ridgeland High School (Madison County, MS), Canton Public (MS) School District, and Holmes Central Consolidated School District (Lexington, MS). Awardees will be recognized at their respective awards program and receive monetary awards after enrollment.
