Parents,

Good evening! Thank you for your support and patience as we all continue to navigate thru these uncertain times. As you know the Madison County School District has closed all campuses thru April 17. Although your child cannot come to the school campus, we will start back with our instruction this coming Monday, March 23 via distance learning. Our teachers have been working diligently this week setting up their Canvas pages online or using email. The good news for us here at Rosa Scott is that the majority of our teachers have been using Canvas and the students are well versed in it. We have a link at the top of our website with instructions on how you can be an observer on your child's Canvas. If your child is having any difficulties with their classwork, canvas, etc. have them to e-mail their teacher. If you have exhausted all of your efforts in getting Wi-Fi to complete the online assignments, we will have a hard copy of each teachers assignments here at the front entrance of the school. Please make sure you have your child's schedule and teacher names as the assignments are filed by teachers last name. If your child is having any issues with their MacBook, we will have a tech here this coming Monday, March 23 from 1:00 – 2:00. If you have any other questions, please e-mail me [bcofield@madison-schools.com](mailto:bcofield@madison-schools.com) or call the school at (601)605-0054.

Thank You!
