To the parents of Rosa Scott Students:

One again, it is time to submit residency verification for all students. **Please return the residency verification documents via email to rosaresidency@madison-schools.com or by USPS or by dropping them off outside the front of the school in the bin labeled "Residency."** Residency documents must be turned in before your child will be eligible to attend Rosa Scott.

EVERYONE will need to submit the following for verification of residency:

You must provide **one current (May or June 2022) bill** (electric, water, gas, cable, or internet) that clearly shows your name, street address and date. Cell phone bills will not be accepted to verify residency. **Any document with a post office box as an address will not be accepted unless the service address is listed. We will also not be accepting utility cut off notices.**

IF YOU LEASE YOUR HOME:

1. You must submit a **current lease agreement** signed by the homeowner that includes a list of the occupants.
2. You will also need to provide **one current bill** that clearly shows the street address and name shown on the lease.

IF YOU HAVE MOVED:

1. You must provide a **copy of your new deed or lease.**
2. You must also complete a new **affidavit of legal residence** from the office. Please call the school to setup an appointment to obtain that document and sign it. It must be signed in the presence of our notary.
3. **One current bill** (electric, water, gas, cable, or internet) must be provided that clearly shows the street address and owner or lessee's name.

Again, **every student** who plans to attend Rosa Scott in the fall of 2022 must provide this documentation.

VISION STATEMENT

"Rosa Scott strives to facilitate an innovative educational environment that engages, inspires, and challenges all stakeholders to impact the community in a positive way."
