Fundraising Requirements

ALL 2021-2022 OTMS Singers will be required to participate in one FALL fundraiser and one SPRING fundraiser. A successful choral program does not run for free. Your fee pays for the items listed above. In addition to these things, we have accompanist fees, music to purchase, classroom supplies, paper for concert programs, travel, and other miscellaneous expenses encountered during the school year. The fundraising requirement helps us function to the best of our ability. Before each fundraiser, you will be given a required amount of sales for that specific fundraiser (for example: sell 3 bags of Poppin' Popcorn). The required amount will be an easily attainable goal.

Performance and Grade Requirements

MHSAA:

The Mississippi High School Activities Association sets certain requirements for middle/junior high school and high school students who participate in groups that come in contact with other schools (interschool events). Even though Choir and Band are part of the regular classroom curriculum, their members participate in festivals and All-State events and therefore function under the auspices of MHSAA.

1. Grade Requirements: Students must have a 2.0 ("C" overall average) for any four courses.

2. Age Limits:
 - a. 6th Graders: No restrictions at this time.
 - b. 7th Graders: Must not have reached 14 years of age by August 1st.
 - c. 8th Graders: Must not have reached 15 years of age by August 1st.

ABSENCES ON THE DAY OF A CHOIR EVENT:

As stated in the MCSD Student Handbook, in order to participate in a school activity that occurs on a regular school day (concert, festival, auditions, or ANY choir event), a student must be present for 63% of the day. If the student is absent for more than 37% of the day, they will not be allowed to participate in the concert or event.

GRADE REQUIREMENTS:

1. MHSAA requires that 6th-8th graders have a 2.0 average for any four courses. MCSD requires that those four courses be the CORE courses (ELA, Math, Science, and Social Studies/History).
2. The OTMS Choral Department will uphold even higher standards. If a regular education student has even one "F" on his/her progress report or report card at the time of a performance, that student may not perform in concert or festivals until proof is provided that all grades are passing.
 - a. If there is a major choir performance for which a singer is not eligible due to grades, the parents will be notified by written note or e-mail. The singer is STILL required to ATTEND the performance. The singer will be required to write a critique of the performance to earn his/her test grade.

GRADES

TESTS: (66 percent of a student's grade, as per MCSD policy)

1. Written quizzes and tests
2. Sight-singing and music tests
3. Afterschool rehearsals
4. Performance test grades

DAILY: (34 percent of a student's grade, as per MCSD policy)

1. Theory work checks (will be graded for either completion OR accuracy, depending on the lesson)
2. Notes sent home that must be returned with a signature by a certain date. Late notes will lose 10 points for each day late.
3. Material checks (binder, workbook, pencil - 100 or 0)
4. Sight Reading Factory assignments

ABSENCES

All performances and rehearsals of the OTMS Choral Department are **MANDATORY**.

Only a death in the immediate family or an extreme illness of the student will be considered excused. In the case of an extreme illness, a doctor's excuse must be provided. Should an emergency arise which prevents a student from attending a performance or rehearsal, please contact Miss Moore **IMMEDIATELY** by e-mail, via Remind, or by calling the school office. If the student misses a performance (excused only) where a test grade is given, the student will be given a written assignment to complete. An unexcused absence will result in a 0 test grade.

BEHAVIOR AND DISCIPLINE

The basis of any superior organization is firm discipline. All singers are expected to realize his/her responsibility to the group and engage in self-discipline. The rules in the OTMS and MCSD handbooks will be strictly adhered to in all classes, afterschool rehearsals, performances, and off-campus activities. If a student chooses to be uncooperative, disrespectful, or disruptive, the student will face the following consequences: student/teacher conference, parent contact, office referral, or other consequence assigned by school administrators.

Students who are eligible to participate in off-campus activities with the OTMS Singers are expected to keep a flawless behavior record. Students with unacceptable behavior in any class will not be allowed to travel off campus with OTMS Singers. This includes overnight trips. Trip fees are non-refundable if a student is prohibited from traveling with the choir due to behavior problems. Miss Moore, Mrs. Chase, Mr. Stokes, and Dr. Ramirez will make final decisions on whether or not a student is eligible to travel with OTMS Singers.

ALL-STATE HONOR CHOIRS

Members of Mississippi All-State Honor Choirs are chosen through statewide auditions. According to state guidelines, only a certain percentage of our students are eligible to audition for these honor choirs at the state level.

Elementary All-State Honor Choir:

All 6th grade students are eligible to audition. To audition, students will learn and sing the first verse of “Path to the Moon” for the judging panel. They will also be required to sing “Happy Birthday” in the key of D as well as match pitch and repeat short melodic patterns.

Students interested in being considered for this honor choir will audition with Miss Moore first. The Mississippi Music Educators Association only allows us to take **FIVE** 6th grade students to audition at the state level. The **FIVE** 6th graders chosen by Miss Moore must be able to audition at St. Anthony’s Catholic School in Madison (date TBA, but usually the first weekend of October). If chosen to participate in the All-State choir, the student must also commit to attend rehearsals and performance March 31-April 2, 2022, at the University of Southern Mississippi in Hattiesburg, MS.

Junior High All-State Honor Choir:

All 7th and 8th grade students are eligible to audition. Students will receive links to online tracks to assist them in learning portions of each honor choir song that will be sung for the audition. Students will have a preliminary audition with Miss Moore to determine which students will move on to the statewide audition. Students will audition individually online via OpusEvent during the audition window of Wednesday, January 26-Friday, January 28, 2022. If chosen to participate in the All-State choir, the students must also commit to attend rehearsals and performance March 31-April 2, 2022, at the University of Southern Mississippi in Hattiesburg, MS.

CONCERTS AND FESTIVALS

Participation in all concerts and festivals is required of ALL OTMS Singers. A test grade will be given to all students for participation. Other festivals and performances may be added at the teacher’s discretion. Dates and times will be announced well in advance of rehearsals, concerts, and festivals.
