iPad Teams Update

To correct the missing camera option in Microsoft Teams, it may be necessary to update the Teams app.

- To do so, please open "Self Service" located on the iPad home screen:

- Next, click the Install for Microsoft Teams:

Microsoft Teams
App Store

INSTALL

- Once Teams is updated, please return to your iPad home screen and open Microsoft Teams:

Teams

- Next, please enter your student email address and password which was provided during device deployment:
