FROM OUR PRINCIPAL

Dear Madison Station Families,

Happy New Year! As we embark on this new year, we are looking forward to many wonderful learning opportunities. January and February are prime teaching and learning months. Students and teachers have returned to school energized and focused. Please take advantage of these months as nightly activities tend to be at a minimum which affords students more time to focus on assigned homework, extra reading and extra practice with math concepts.

As we get back into our routine, please partner with us to ensure that your child is able to take full advantage of instructional time by minimizing absences, late arrivals, and early checkouts. Research indicates a close connection between student absenteeism and academic achievement. Also, make sure that your child has lunch money in his/her account. The cafeteria will not accept charges. Therefore, students must have money in their account to receive a full tray.

Report cards will be distributed Thursday, January 10. Please be sure to contact your child's teacher should you have any questions about their progress. Teachers are available for meetings, phone conferences and email communication and would be happy to talk with you about your child's progress.

Thank you for a wonderful first semester! Our students have accomplished much and will no doubt continue to grow and flourish physically, mentally, and academically. We are excited about what 2019 has in store for our school!

Mrs. Hanna
Principal

FROM OUR PTO PRESIDENT

Happy New Year! I hope you all had a wonderful break and that 2019 is off to a great start. I still cannot believe we are beginning the last half of the school year. It seems like we just had Meet the Teacher night.

Our shirt preorder was a huge success! Thank you to all who made purchases and to our t-shirt committee. They spent countless hours creating designs, processing orders and delivering shirts.

The calendar is already filling up with parties, field trips, test dates and much more. I encourage you all to participate where possible. Your continued support of the MSE PTO is so important and greatly appreciated.

Finally, grab your running shoes and get ready to run! Our Spring Color Run is coming up! More information will be coming soon!

Rebecca Thomas

December's Teacher and Staff Appreciation lunch was a huge success thanks to you, your donations and time! We had a Nutcracker theme and had a delicious lunch catered by Bless this Food Catering. Each teacher and staff also chose their own beautiful piece of artwork made by my local artist and MMS teacher, Jamie Wise.

We will have a lunch on Wednesday, Jan. 9. If you'd like to help, but haven't received a Signup Genius, please email Sherry at smmk2003@gmail.com.

Again, thank you for all of your help and support! Our MSE teachers and staff are amazing and it's an honor to be able to treat them.

Sincerely,
TA Committee

Her work has been shown at shows over the state and was displayed in 2013 at Colvard Union at Miss State in a show called "Craving Color." She was also chosen "featured artist" at the 2014 Prairie Arts Festival. Nancy also won Best In Show at the 2015 Cotton District Art Festival. Specializing in brightly colored work, her stretched canvases range from very small (4x4) to large (36x48.)

BUS DRIVER Appreciation

Prior to ushering in the holidays, the bus driver appreciation committee thanked our drivers with a gift card from Walmart placed inside handmade candy sleighs. We are so thankful to them for safely transporting our MSE student's every day.
