

Teacher Appreciation Week 2021

We would like to welcome all students and families to show gratitude to Madison Station Elementary teachers and assistant teachers during

Teacher Appreciation Week, May 3-7, 2021.

We have chosen a few special ways your family can show love and appreciation. Participation is not required, and you can even pick and choose the days you join the fun. A listing of activity teachers is on the back of this note for reference.

Monday

Show kindness and appreciation to a teacher through a hand-written note. Fill out the notes below and deliver to regular, assistant and/or activity teachers to warm their hearts.

Wednesday

Showing kindness and generosity through a small gift, or happy. Think about what may make a regular, assistant and/or activity teacher's day and bring that thought to life!

Friday

Show kindness and gratitude to a regular, assistant and/or activity teacher for helping your child GROW with a fresh flower from your garden or yard. Our teachers will see a bouquet bloom before their eyes.

Two large rectangular boxes with decorative borders (stars at the top and wavy lines on the sides) for writing notes for Monday and Wednesday.

Three smaller rectangular boxes with decorative borders (stars at the top and wavy lines on the sides) for writing notes for Friday.
