

Exhibit "A"
Madison County School District
Student Drug Testing Consent Form

Statement of Purpose and Intent

Participation in school sponsored extracurricular activities in the schools of the Madison County School District is a privilege. Activity students have a responsibility to themselves, their fellow students, their schools, their families, and their community to set the highest possible example of conduct by avoiding the use of illegal or performance enhancing drugs.

Drug use of any kind is incompatible with participation in extracurricular activities in the Madison County School District. For the safety, health and well-being of all students, the Madison County School District has adopted a policy of using an independent testing laboratory to conduct random drug testing of all students at middle schools and high schools in the District who participate in certain extracurricular activities ("Activity Student"), whether or not the activity is in or off season and for all students who purchase a parking decal/permit to drive on campus.

Participation in Extra-Curricular Activities

Each Activity Student shall be given a copy of the Activity Student Random Drug Testing Policy and Student Drug Testing Consent. Both the student and the student's parent or legal guardian must read, sign and date the Student Drug Testing Consent before the student shall be eligible to practice or participate in the listed extracurricular activities. To be eligible to participate in or practice with certain extracurricular activities, the consent shall be to give a urine sample (a) if chosen on a random selection basis; or (b) any time requested based on reasonable suspicion of the use or possession of illegal or performance enhancing drugs. No student shall be allowed to practice or participate in any activity governed by this policy unless the student has returned the properly signed Student Drug Testing Consent.

I have read the "Student Activity Random Drug Testing Policy" and "Student Drug Testing Consent," and I understand that, out of care for my safety and health and the health and safety of others, the Madison County School District enforces the rules applying to the use or possession of illegal and performance enhancing drugs. As a member of my school's extracurricular activity or one who purchases a parking decal/permit to drive on campus, I realize that the personal decision that I make daily about the use or possession of illegal or performance enhancing drugs may adversely affect the health and well-being of others, possibly endanger those around me, and reflect poorly upon any organization with which I am associated.
