

Chromebook Return Information:

District is requiring that all computers (K-8) be turned in before the end of the school year. We will need to do this immediately after state testing to get all inspected, checked in, fines/damages assessed, and for students to get those fines paid before they leave school for the summer.

We will collect devices through ELA classes. Please see Mrs. Rogers in the Library immediately if you have lost an item or there is damage to your Chromebook.

Students will need the following on device turn in day:

- computer
- computer case **on** computer
- charger (Dell or HP)
- stickers removed from cases and cleaned of any residue

Please make note of the following dates that your grade level will be turning in their devices.

May 12th- 7th grade

May 13th -8th grade

May 16th - 6th grade

Any damage must be reported to the school authorities immediately. Power adapters must be returned or paid in full.

Fees and damage costs can be paid on [MySchoolBucks.com](https://www.myschoolbucks.com)

Deductibles:

- First damage occurrence: \$25 Chromebook fee: Covered by usage fee
- Second damage occurrence: \$25.00 Fee for a Chromebook plus the cost to repair the laptop or fair market value and possible loss of laptop take-home privileges.
- Third damage occurrence: \$25 Chromebook fee plus the cost to repair the laptop or fair market value and possible loss of laptop take-home privileges.
