May 2022

Dear Parent/Guardian,

Mannsdale Upper Elementary will host a Summer Remediation Camp for students who fall under one or more of the following three criteria:

- 1.) The student is receiving TIER 3 Accommodations.
- 2.) The student is a SPED inclusion student for the 2021-2022 school year.
- 3.) The student was recommended by their teacher.

Because of the academic struggles your student experienced this year, your student is eligible for this camp. This camp is not required, but it is an optional resource offered to your child. This camp will focus on closing the gap in basic reading and math skills. Please note that **promotion/retention** decisions will **not** be determined based on participation in this camp. Also, be aware that this camp is inappropriate for students with significant behavior needs.

The camp will run **8:00-11:30 July 18- 21, Monday-Thursday** only. **Students must be dropped off at 8:00 each morning and picked up by 11:30 each day by the parent.** Please note that the car rider lines at Mannsdale Elementary and Mannsdale Upper will run as they do during the school year. Families with students participating at Mannsdale Elementary and/or Mannsdale Upper will enter through the Mannsdale Upper entrance and drop off using the marked designated lanes. Please have your car rider number from the regular school year on your front right dash each day.

We ask that you send a healthy snack and a water bottle with your child daily. Each day, your student will pick up a sack lunch before dismissal.

Students will need to bring a fully charged Chromebook with them each day.

If your student will be participating in the Summer Remediation Camp, please complete the following form and return it to our school office on or before June 27, 2021. No students will be added to our summer camp roster after this date. If you have any questions or want more information about this camp, please call us at 601-879-3433 before **June 27.**

Sincerely,

Debra Houghton Ed.D, Principal
