Please feel free to adapt this to meet your needs.

The website that I used is [www.ikeepsafe.org](http://www.ikeepsafe.org) - once you are at the site:

- Select For Educators From The Navigation Bar On The Left
- Then Click On Educational Materials
  - I used the *Review Worksheet* “What Was That Again? Internet Safety Review” and *Vocabulary Quiz*
  - I used the Video, Find a Match Memory Game (it’s timed so they like it), and Internet Panic in the *For Kids* link on the navigation bar to the left
  - The kids really enjoyed *NetSmartKids Games*. We had competitions in the Maze Game, Password Rap, and Picture Puzzle
  - In Fun Stuff with McGruff they liked the Word Searches, Community Clean Up, and Bike Race
- Also look at the Dare Activity Center under the For Educators link, I used Activity 4

Remember I’m sharing how I used this site last year.

I know not everyone has a lab but when you’re in one think about rewarding the kids using some of these resources.
