

Vocabulary Menu

Sentences

Write two sentences for each vocabulary word. Make sure to include context clues about the meaning of the word in your sentences.

Write a Story

Write a story that incorporates all of your vocabulary words. Make sure the story uses the correct meaning of the words and makes sense. Underline or highlight each word in your story.

Definitions

Use a dictionary to look up the definitions for each vocabulary word. Write the definition for each word including the part of speech.

Crossword Puzzle

Create and solve your own crossword puzzle with your vocabulary words. Write a clue for each word that tells about the meaning. Visit <http://www.discoveryeducation.com/free-puzzlemaker/> and click Criss-Cross to make your puzzle online or draw it by hand.

PowerPoint

Create a PowerPoint presentation with a slide for each word that tells the meaning of the word and shows an image to represent the word.

Vocabulary Test

Create your own vocabulary test for our words. Include a question about each word don't forget to include an answer key. (Questions can be matching, fill in the blank, multiple choice, etc.)

Illustrations

Draw a picture to represent each vocabulary word. Then describe the picture in words and tell how it shows the meaning of the word it represents.

Cartoon Strip

Create a cartoon strip (comic) using all of your words in the conversations between the characters.

Word Webs

Create a word web for each vocabulary word with the word in the middle circle and bubbles that tell a synonym, an antonym, and the part of speech for each word.
